

Friday 9th July 2020

Year 2

Family Fun Friday

- Today we would like you to create your own board game or Top Trump game that you can play with your family.
- We have put some ideas on the next few slides.
- Be creative and have fun!

From Miss Carroll and Miss Dunning.

Top Trumps

Rules for Top Trumps

Any number of people can play Top Trumps, that's what makes it the world's coolest card game! Here are instructions on how to play Top Trumps.

To start the game, shuffle and deal all the cards face down. Each player holds their cards so that they can see the top card only.

The player to the dealer's left starts by reading out a category from the top card (e.g. Height, value 5) The other players then read out the same category from their cards. The one with the best or highest value wins, and that player collects all the top cards, including their own, and moves them to the bottom of their pile. It is then their turn again to choose a category from the next card.

If two or more cards share the top value or data is not available for that particular subject then all the cards are placed in the middle and the same player chooses again from the next card. The winner of the hand takes the cards in the middle as well.

The person with all the cards at the end is the winner.

Make your own
Have a go at making your own Top Trumps, using the template, or use the ready made ones on the next couple of slides.

OWL

Predators

Killer Rating:	4		
Aggression:	1		
Speed:	10	Strength:	6
Size:	5	Stealth:	3

Board Games

- You may choose to make your own game. You could use anything, such as cardboard or paper. You might want to use counters of games you may already have.
- On the next slides are some ideas for your board game.
- What will you name your board game?
- Once you have finished, play the game with your family. You may need to write a set of instructions.

7 times table Multiplication And Division Board Game

Roll the dice and work out the multiplication or division you land on. The winner is the first to finish!
