

Maths:

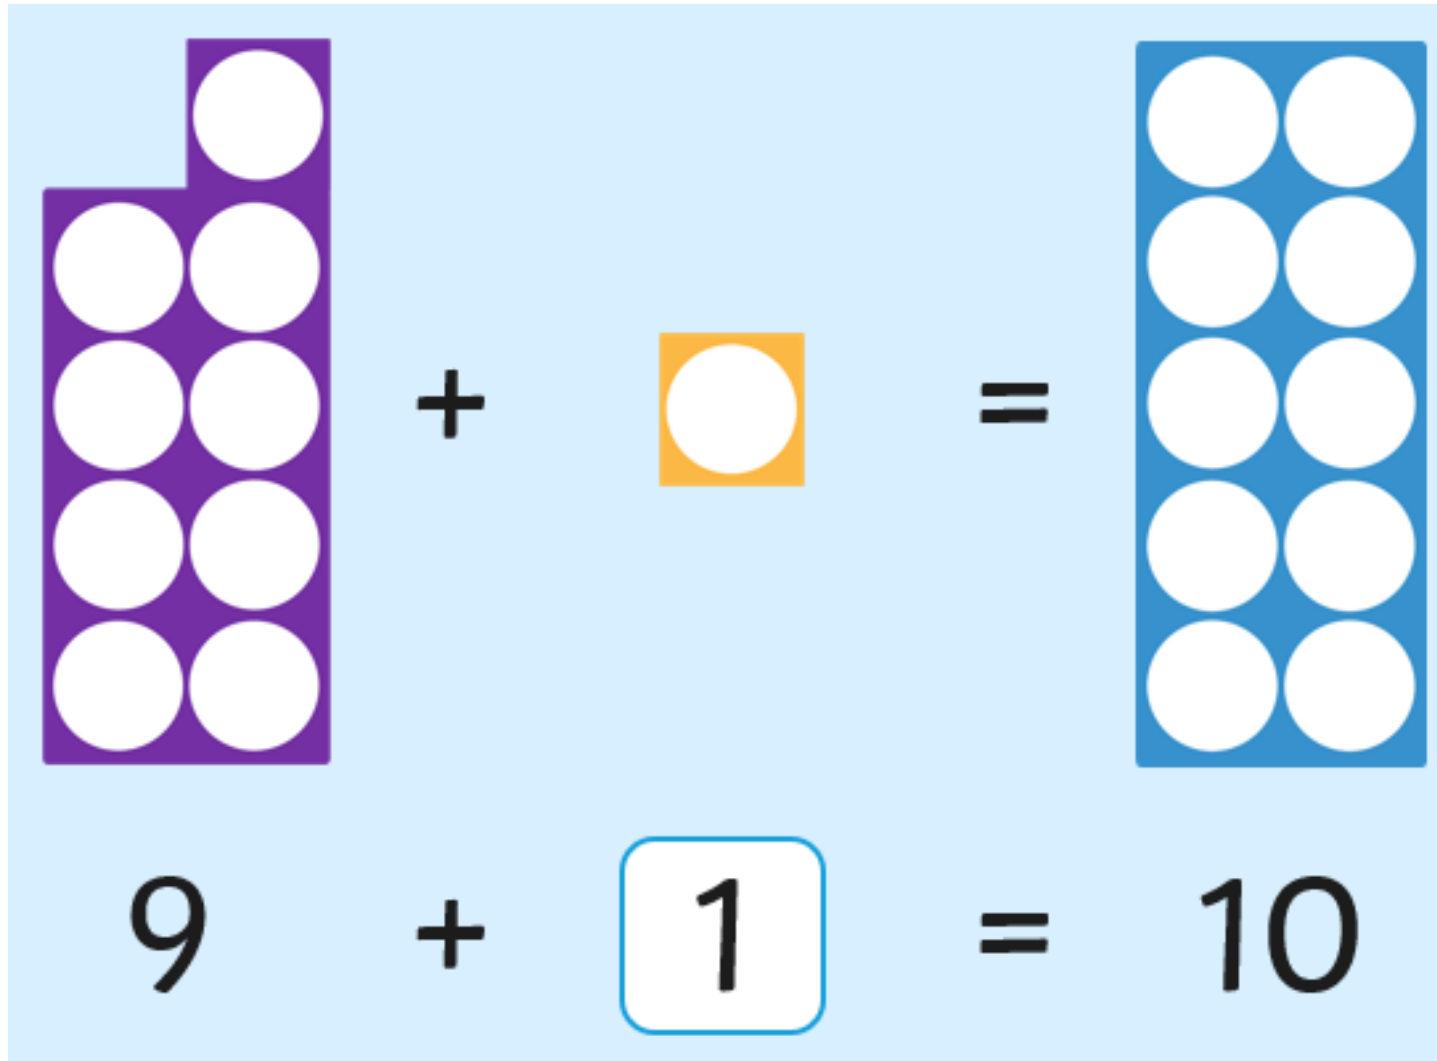

Today we are recapping...

Number bonds to 10.

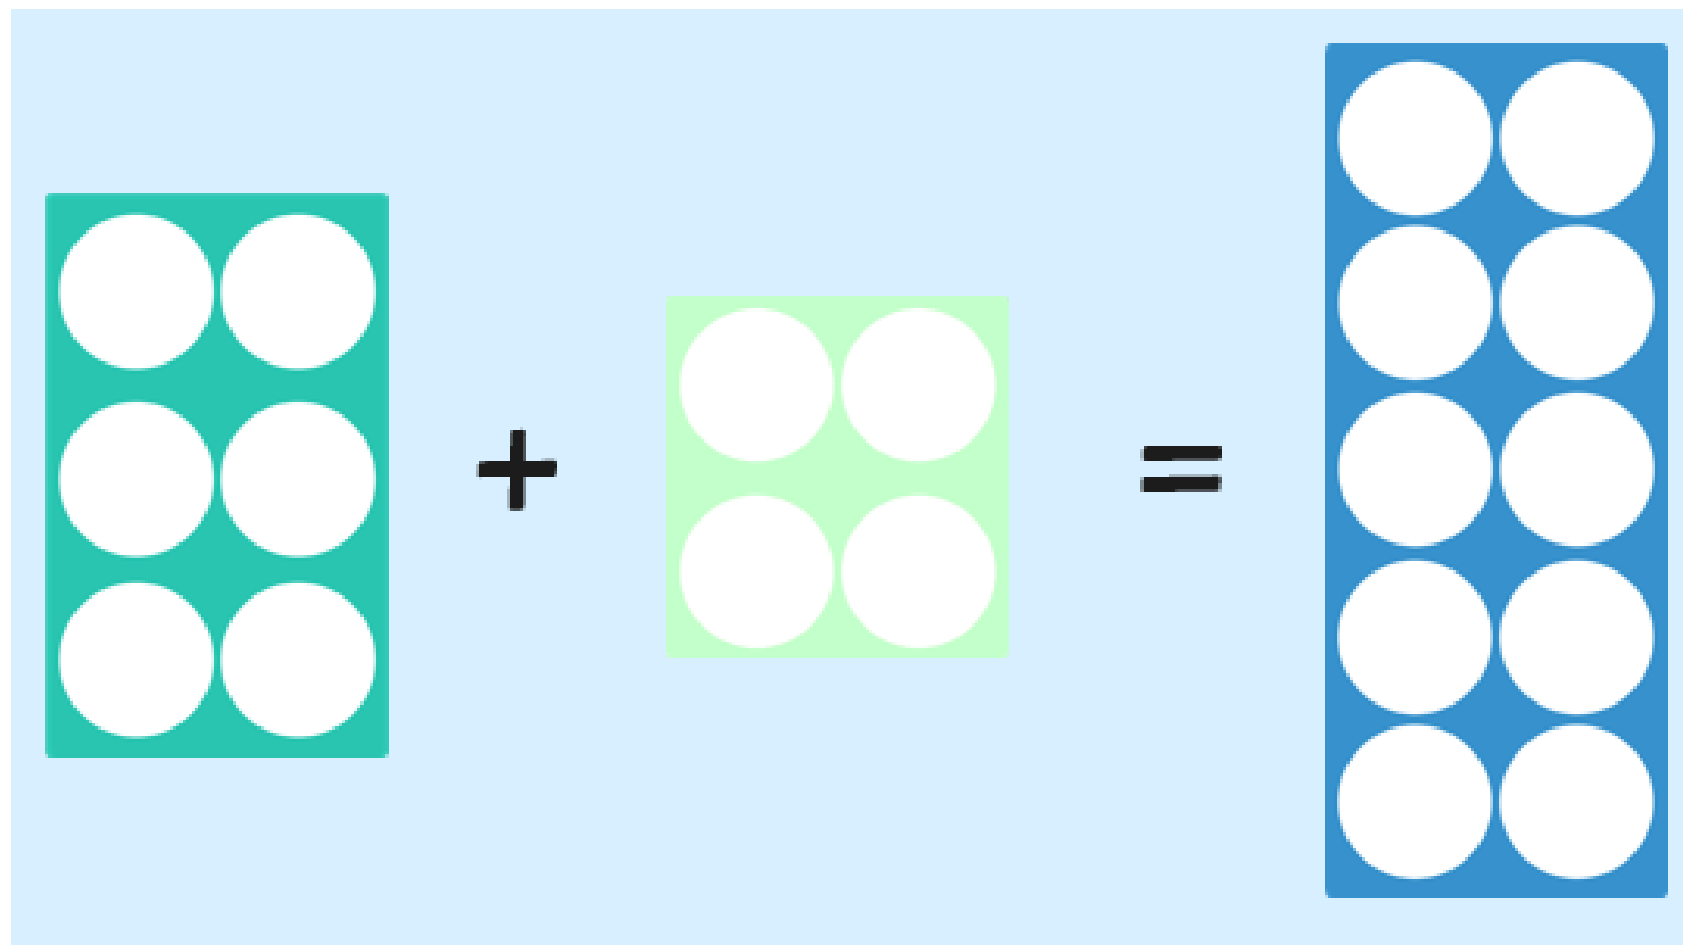

Write the answer to this calculation in your book.

Did you get the correct answer?

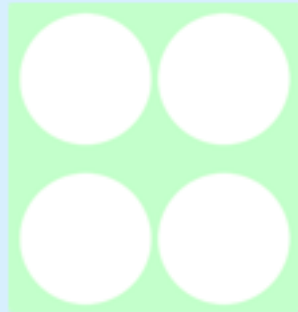

Have a go at this one in your book...

Check your answer:

+

=

6

+

4

=

10

Now have a go at writing all of the number bonds to 10 in your book. Remember there are 11 ways.

If you need some help, practise singing the Farmer Pete number bonds to 10 song –

<https://www.youtube.com/watch?v=poJmS5iWfEs>

Challenge!

Now have a go at finding the missing numbers using part whole models.
