

Monday 6th July 2020

Year 2

This Week's Home Learning

- Your home learning this week is going to be different to how it has been for the past 12 weeks.
- This is also going to be your last week of home learning.
- This week, you will be asked to carry out different activities which focus on amazing and brilliant YOU!
- We hope you will find them enjoyable and fun!

From Miss Carroll and Miss Dunning.

All About Me!

- In September, you will be going into year 3. You will have a new teacher and possibly be in a class with some different children to this year. What would you like your new teacher to know about you?
- We would like you to think about what you would like to tell your new teacher about yourself in September, so we thought it would be a good idea to think about this now.
- On the next couple of slides are some ideas you may want to think about. You could make an A4 information page about yourself, a giant poster or a mini zig-zag book (instructions on how to make a mini book are on the next slide) or you may just want to talk about the points with an adult at home.

How to make a mini zig-zag book

You will need:

- A piece of A4 paper

Put the paper landscape (longest sides at the top and bottom).

Fold the paper in half, bringing the top side to meet the bottom side.

Fold this in half to bring the two shorter sides together.

Find the halfway point on one side of the folded paper and fold this backwards.

Turn the paper over and do the same with the other side.

All About Me

My name is:

My birthday is:

My favourite food is:

My favourite colour is:

My favourite book is:

My favourite television show is:

Significant People and Pets in My Family

In the star, jot down any words which you feel best describe your family.
