

Hello Everybody

**We are sorry we can't be with you today.
Here is some learning for you to do while
we have to stay safe at home.**

**Enjoy learning, stay safe and we will see
you all soon.**

A colorful illustration of children sitting in a circle under a large tree in a park-like setting. The scene is bright and cheerful, with a large tree on the right and children sitting on the grass. The background shows a path and more trees.
