have to stay safe at home.**

**Enjoy learning, stay safe and we will see you

**Parents – if you need any help or support

A colorful illustration of a park scene. In the foreground, a large tree with green leaves stands on the right. A path leads from the bottom left towards the center. In the background, there are rolling green hills under a blue sky. Several children are depicted: one is sitting on a yellow slide on the right, and others are scattered in the background, some near a fence. The overall scene is bright and cheerful.

Here is your learning for today. The activities can be done in parts so you have plenty of time to play and talk to each other during the day. Each activity should not take more than 5 minutes.
