Year 2

My Ideal School

- Today we would like you to think about what your ideal school would be like.

From Miss Carroll and Miss Dunning.

My Ideal School

You can write, draw or make models.

Here are **some** ideas to think about;

What would a classroom look like? What would be in it?

What would the yard look like?

Make a timetable. What lessons would you have? How long would they last?

Design a school meals menu for a week in school.
