# My Achievements and Goals

- Today we would like you to think about your achievements so far and your goals.
- You can present the information in any way you choose. We have included some examples. You may wish to make another mini book of your achievements and goals.

From Miss Carroll and Miss Dunning.

# My Achievements

- What are you good at both in and out of school? Do you attend any clubs out of school? Have you won trophies? Is there a subject in school you are particularly good at?

# My Goals for Year 3

What are your goals for Year 3?

What would you like to achieve by the end of year 3?

You may want to think about a subject or skill you need to work on or something new you would like to learn.

Try to think of goals both in and out of school.

It's up to you!

Let your teacher know what you are confident with. You may prefer a certain subject in school because you feel better at it.

You may also have a subject in school that you do not feel as good at. It's ok to need help.
