PE

Wednesday 24th June

I can move at different speeds.

Aim

- To move at different speeds.

Success Criteria

- I can show and explain how to sprint.
- I can show and explain how to jog.
- I can describe how my body feels whilst moving at different speeds.

Warm-Up

You need to prepare your body ready for PE today.

What part of your body do you think you will need to warm up?

Different Speeds

How many different speeds can you move at?

Can you run quickly?

What is fast running called?

Can you run slowly?

What is slow running called?

Can you walk at different speeds?

Different Speeds

Jogging

Jogging is moving at a steady pace for a longer amount of time.

Gently move your arms. X

X Keep your head still and looking forwards.

X Jog at a steady speed - be able to carry on for a longer time.

X Keep your knees low.

Different Speeds

Tell your partner how your body feels after jogging.

Move It

? How hard did you find jogging?

Find your place on the effort-ometer...

Move It

Jog around the space with your partner.

- Can you talk while you move?
- Can you carry on for 2 minutes without stopping?
- When would jogging be more useful than sprinting?

Different Speeds

Sprinting

Sprinting is running as fast as you can over a short distance.

Keep your head still and looking forwards.

Pump your arms.

Keep running at your fastest speed from start to finish.

Lift your knees up high.

Move It

? How hard did you find sprinting?

Find your place on the effort-ometer...

Changing Gears

In this game you will move in 4 different ways:

1st gear = walk

2nd gear = jog

3rd gear = run

4th gear = sprint

Listen -
to the instructions

Look -
at your space

Move -
in the correct way

Cool-Down

We need to relax our bodies at the end of PE.
Let's cool down!

Cool Down > Games > Catch the Teacher

- Everyone needs to stand in a line.
- I will stand some distance away and turn my back to you.
- You creep towards me.
- When I turn around, anyone caught moving lines up.

Cool Down > Games > Mr Men

In this game, you need to pretend to be different Mr Men, and move around the space like the different characters. When I say the name of a Mr Men, you should travel around the space in a particular way.

- Mr Slow = Walk slowly
- Mr Fast = Run around
- Mr Bounce = Jump around
- Mr Small = Crouch down and walk

Cool Down > Games > Pass the Beanbag

Hands and walk backwards to make a big circle. Then sit down, and pass the beanbag around the circle in one direction, counting forwards.

When I blow the whistle, change direction and start passing backwards from the number you got to. Change direction again when the whistle is blown and counting forwards from the number you got to.

Can you do it with more than one beanbag, moving in different directions?

Cool Down > Games > Push Ball

How To Play:

- Find a partner.
- You will each need a large ball and a spot or hoop to stand in, placed a few paces apart.
- Hold your ball at arms-length and shoulder-height, while standing on your spot.
- When the teacher says to, push your ball towards your partner.
- The first one to knock their partner out of their hoop, or off their spot, is the winner.

Cool Down > Games > Circle Catch Game

First, we need to all get into a circle. When your name is called, clap. Then catch the foam ball as I throw it to you.

- If you catch once, go down on one knee.
- If you catch twice, go down on both knees.
- If you catch again, sit on your bottom.
- If you catch again, lie on your stomach.

Who can lie down first?
Can they still catch the ball?

Cool Down > Games > Sleeping Lions

It's time to cool down now after all of our hard work and you are a tired lion! Lie down on the floor and relax. Imagine you are a sleeping lion.

Walk around the space and quietly and gently tap someone on the shoulder. That person should quietly get up and tap someone on the shoulder, then line up ready to get changed.

Who will carry on until all the lions have woken up?
