

Maths:

Today we are recapping...

Counting within 20.

Count forwards from 0 to 20.

Did you miss any numbers out?

0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20

Say them again making sure you do not miss any numbers out.

Count backwards from 20 to 0.

Did you miss any numbers out?

20, 19, 18, 17, 16, 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1, 0

Say them again making sure you do not miss any numbers out.

Read these number words and write them in your book.

fifteen

twelve

eighteen

eleven

twenty

Now write the matching numeral next to your number words.

Check your answers:

fifteen

15

twelve

12

eighteen

18

eleven

11

twenty

20

Now write a list of all of the numbers to 20 in words and write the matching numeral next to them.

Challenge – fill in the missing numbers by writing these in your books correctly.

11			14				18		
----	--	--	----	--	--	--	----	--	--

17							10		
----	--	--	--	--	--	--	----	--	--

Twelve			Fifteen		
--------	--	--	---------	--	--
