I can draft a persuasive advert.

Starter- Vocabulary Ninja

Using a dictionary or Kiddle (online), find the definitions of the vocabulary below. You might want to record the definitions in your book as they will help with today's work.

immense
pleasant
magnificent
precious

Read the two advert examples below. Which one do you like best? Why? You can use these example to help you write your own advert.

Text Marking a Persuasive Advert

**Terry's
Terrific
Toy Store!**

Interactive Baby Dragon 0743/6928

★★★★★

Bored of dull toys? Want a toy that plays with you? Then you need this must-have toy of the year.

Cool kids like you deserve the coolest toy around!

When your Interactive Baby Dragon arrives, it will be tucked inside a colourful egg. Your dragon will only hatch if you give it oodles of love and attention.

Watch with delight as your dragon bursts out of its shell. Now it's ready to play and learn. Teach your dragon 100's of new words. Listen with amazement as it talks back to you. On your command, your dragon will even breathe smoke!

Choose from these exciting colours: roaring red and yummy yellow; or perfect pink and prickly purple.

Order before the end of the month and this dragon will be delivered FREE to your door!

Bag a Bargain at Terry's Terrific Toy Store!

Was £40.00 | Now only £36.00

10% off! Hurry, whilst stocks last!

Reviews

★★★★★ Five Stars
Best toy ever! My 6 year old son loves it! – Mary Smith

★★★★★ Five Stars
Delivered on time. The toy hatched out after 3 days and it now knows more than 50 words. It really does breathe smoke! – Jake Hall

Text Marking

1. Draw a yellow line around special offers.
2. Draw a green line around the slogan.
3. Underline examples of alliteration in blue.
4. Underline examples of questions in purple.
5. Underline examples of adjectives in red.

Roundhouse For Sale!

Are you looking for the right hillfort for you?
Then why not join us in the Icen tribe of Suffolk. We have the best roundhouses in all of Britain!

All of our roundhouses are of the finest quality and built using the best quality goods. We build our roundhouses in groups to create hillforts as this protects our **community** from our enemies (like those **devilish** Romans). Our hillfort is constructed on top of the highest hill in the area for added **protection** and **security**.

Most of our roundhouses have been constructed from daub, which is a mixture of straw and mud (and in some cases animal dung). However, some **properties** have been made with large stones held together with clay.

Location, location, location...
Our location is just perfect. Next to the river, our hillfort is **ideal** for collecting water and fishing. It is also only a short walk from a large woodland, which is known in the area for its **superb** hunting. Who could ask for more?

Join us now!

Are you worried about the cold winter nights?

- The roof is made from straw with mud placed on top to keep in the warmth, even on the coldest of nights.
- The fire in the centre of the room provides warmth, light and heat for cooking all year round.
- Any smoke from the fire can easily escape from the hole in the roof.

90% of Celts think that our new design is **superior to all other models. Come and see for yourself!**

I love my Icen roundhouse. They really are the best! Buy it now before it is too late!

Looking for a new profession?
There are many jobs available in the local area. Just take a look at the latest **opportunities** on offer ...

- Blacksmith
- Potter
- Woodworker
- Weaver
- Bronze worker
- Farmer

ONE TIME ONLY SPECIAL OFFER!

If you buy from us this month, your roundhouse will come complete with a large bronze **cauldron** which can be used to cook and heat water. **WOW!**

Amazing Features...

- Our roundhouses have no windows so none of that precious warm air can escape.
- The **spacious** room even has enough space for a loom which can be used to weave fabric for clothes and **decorative** items.
- There is also enough space to keep any of your animals inside at night. A wattle wall can be used to **confine** the animals to one area of the room.

Prices upon request.

Today, you are going to draft your persuasive advert. Here are some features you need to include.

Checklist

- Product name
- Product price
- Special offer
- Slogan
- Alliteration
- Rhetorical questions
- Adjectives
- Imperative verbs

Use your plan to help you. You need to make your magic potion sound amazing!

This word mat may help you.

Maths

Today we are recapping
multiplication and division
word problems

I can solve multiplication and division word problems.

Five in 5

1) $726+100=$

2) $255-55=$

3) $1\times 3=$

4) $36\div 3=$

5) Write down the number bonds to 100.

Five in 5-Answers

1) $726+100=826$

2) $255-55=200$

3) $1\times 3=3$

4) $36\div 3=12$

5) Write down the number bonds to 100.

$0+100, 10+90, 20+80, 30+70, 40+60, 50+50$

$100+0, 90+10, 80+20, 70+30, 60+40, 50+50$

Using your multiplication facts. Read and solve the word problems

- 1) The coach split the class of 24 children into 4 equal teams. How many children were in each team?
- 2) I have 56 sweets to share between 8 children. How many sweets will each child get?
- 3) I buy cartons of apple juice in packs of 4. There are 42 guests coming to my party. How many packs do I need to buy? Will there be any left over?
- 4) Lucy sells hair ribbons in 30cm lengths. How many ribbons can she make from a 1m roll of ribbon? Will there be any ribbon left over?
- 5) How many legs would 15 dogs have altogether?
- 6) The coach splits the group of 24 children into 8 equal teams. Each team needs a football between 3 children. How many footballs does each team need?
- 7) I buy cartons of apple juice in packs of 8. There are 42 guests coming to my party. How many packs do I need to buy? Will there be any left over?

Answers

- 1) The coach split the class of 24 children into 4 equal teams. How many children were in each team? $24 \div 4 = 6$
- 2) I have 56 sweets to share between 8 children. How many sweets will each child get? $56 \div 8 = 7$
- 3) Lucy sells hair ribbons in 30cm lengths. How many ribbons can she make from a 1m roll of ribbon? Will there be any ribbon left over? 3 hair ribbons with 10cm left over because $30\text{cm} \times 3 = 90\text{cm}$ so $100\text{cm} - 90\text{cm} = 10\text{cm}$
- 4) How many legs would 15 dogs have altogether? $15 \times 4 = 60$ legs
- 5) The coach splits the group of 24 children into 8 equal teams. Each team needs a football between 3 children. How many footballs does each team need? $24 \div 3 = 8$
- 6) I buy cartons of apple juice in packs of 8. There are 42 guests coming to my party. How many packs do I need to buy? Will there be any left over? $42 \div 8 = 5$
 $40 \div 8 = 5$. $48 \div 8 = 6$. 6 packets of juice with 4 left over

Healthy Eating

Thursday 11th June

I can create a healthy meal using the eat well guide

What does healthy mean?

- Being in a good physical or mental condition.

What does diet mean?

- the kinds of food that a person, animal, or community habitually eats
- Is it important to have a healthy diet?

To have a healthy diet you should:

- Choose a **variety** of different foods from each food group to help the body get every thing it needs to stay healthy.
- Eat foods in the **proportions** shown on the Eatwell Guide, e.g. lots of foods from the largest two food groups.

Fruit and vegetables

- Fruit and vegetables should make up just over a third of the food we eat each day.
- Aim to eat at least five portions of a variety of fruit and vegetables each day.
- As a guide, a portion is what fits into the palm of our hand.
- Choose from fresh, frozen, canned, dried or juiced.

Potatoes, bread, rice, pasta and other starchy carbohydrates

- Starchy food should make up just over a third of the food we eat.
- Base your meals around starchy carbohydrate foods:
 - have wholegrain breakfast cereal;
 - have a sandwich for lunch;
 - have potatoes, pasta or rice as a base for your evening meal.

Dairy and alternatives

- Have some milk and dairy food (or dairy alternatives) such as cheese, yoghurt and fromage frais.
- These are good sources of protein and vitamins, and they're also an important source of calcium, which helps to keep our bones strong.

Beans, pulses, fish, eggs, meat and other proteins

- Eat some foods from this group.
- Beans, peas and lentils (pulses) are good alternatives to meat because they're naturally very low in fat, and they're high in fibre, protein and vitamins and minerals.
- Choose lean cuts of meat and cut off any visible fat.
- Grill meat and fish instead of frying.
- Aim for at least two portions (2 x 140g) of fish a week, including a portion of oily fish.

Oils and spreads

- We only need a little fat for health (generally, we are eating too much saturated fat).
- Unsaturated fats are healthier fats that are usually from plant sources and in liquid form as oil, for example vegetable oil, rapeseed oil and olive oil.
- Choosing lower fat spreads is a good way to reduce saturated fat intake.

Hydration

- Aim to drink 6-8 glasses of fluid every day.
- Water, lower fat milk and sugar-free drinks all count.
- Fruit juice and smoothies also count although they are a source of free sugars so you should limit them to no more than a total of 150ml per day.

Your task:

Create either a healthy breakfast or lunch using the plate to create a balanced and varied diet.
