

Maths:

Today we are recapping...

Time – sequencing in time order.

Five in five

1. $7 + 3 =$ _____

2. $15 - 5 =$ _____

3. Double 7

4. Half of 8

5. Monday, _____, Wednesday, Thursday,
Friday, Saturday, Sunday

Look at the activities.
Sort them into before and after school.

Time

1

Going out to eat

Breakfast

Get dressed

Bedtime story

Go to a party

Can you explain why you have sorted them into before and after school?

Could any of the pictures gone into both?

Can you think of one more activity for each group?

Can you sort the activities into three groups labelled morning, afternoon and evening?

Draw the cups in your books and label them correctly?

finally

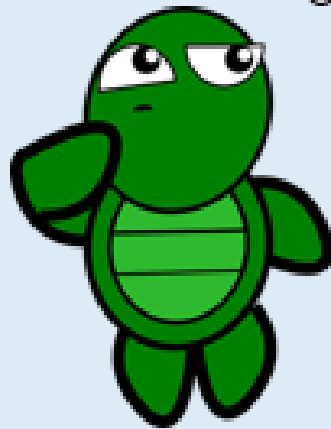

first

next

**Can you think of a very special day?
Describe it to a friend.**

Use the words:

- **before**
- **after**
- **first**
- **next**
- **morning**
- **afternoon**
- **evening**

Can you talk to your grown up and tell them about the order that you do things in the day, from waking up to going to bed.

Discuss

What activities do you do before school?

What activities do you do after school?

What do you do in the morning?

What do you do in the afternoon?

What do you do in the evening?

Challenge –

Maths Challenge!

Draw pictures to show what could have happened before and after.
